# USE TREASURED SCENES COLLECTIBLES AS YOUR NEXT FUNDRAISER!

## FOR COMMUNITY PROJECTS...

Get your community excited about your fundraiser by creating a Treasured Scenes limited edition collectible! Feature anything local on an ornament, from a beloved downtown main street scene, to a historic building, to your town's statue or park, and then tell the subject's story on the reverse side. You can also commemorate a centennial or bi-centennial celebration. If you put an edition number on your ornaments, you will have a fundraising project in place for years to come! And don't forget to tell your community how the funds will be used so residents can rally behind the cause!

- \* Raise money for your library
- \* Funding for art programs
- \* Charity drives
- \* New equipment
- \* Restore a historic building
- \* New decorations for main street
- \* Ongoing maintenance

## FOR SCHOOLS...

Show your school spirit! Get students and the faculty on board with your fundraiser by featuring the school building, the mascot, school logo, or student artwork on an ornament! On the back side, list the words to the alma mater or fight song. If a school is closing or being replaced by a new structure, you can feature the old building on one side and the new building on the other. Class reunions will also be enthusiastic to purchase these ornaments as the perfect memento!

- \* Fund fieldtrips
- \* Raise money for equipment
- \* Fund projects that have been removed from the school budget

## FOR RELIGIOUS ORGANIZATIONS...

Create an heirloom quality collectible that your congregation will love and cherish for years to come! Showcase a drawing of the church building on one side of a Treasured Scenes ornament and tell the church's history on the back side. Celebrate your stained glass windows or feature religious icons and statues! Commemorate a milestone or special event! Anything that will generate excitement in your church community and have them eager to support your fundraising causes, such as:

- \* Mission support
- \* Stained glass window restoration
- \* Youth group retreats
- \* New choir robes

With decades of experience behind us, we can recommend what product will work best for your type of organization.

**DID YOU KNOW THAT YOU CAN DO A PRE-SALE BEFORE YOU BUY?! CALL US TO LEARN MORE.**

**CUSTOM ARTWORK!** Keystone Specialties, Inc is known for the beautiful, hand drawn artwork we create based on our client's supplied images. We can work from just about anything, such as: black & white photos, full color photos, newspaper clippings, old postcards, art renderings (with artist permission), and scanned images. If you prefer a photographic reproduction from an original picture, we can do that, too.

Shown here is an example of how we can take your photo and render it into a beautiful colorized drawing, that will then be imprinted on the ornament.

Another example of how we take your raw photo, edit it into a beautiful representation in Photoshop, add typesetting, that will then be imprinted on the ornament.

**ADVERTISE! MAKE YOUR FUNDRAISER A SUCCESS!**

To further aid you in your fundraising efforts, we supply **FREE ADVERTISING MATERIALS**. Included in your emailed "promo pack" are the product image(s), an editable advertising flyer, an order taking form, and an order form, all of which can be email blasted, hosted on a webpage, shared on social media, or handed out in person.

**WHAT SHOULD YOU SELL YOUR COLLECTIBLE FOR?** This is a great question. We suggest adding a 40% to 50% markup of your *estimated cost*. For example, let's say that you place an order for 250 Glass Ball Ornaments (item# W-200) with a full color imprint on one side and a one color imprint on the second side. Your next cost is approximately \$7.24 per ornament, when ordered by 4/30/2025 (including art & individually boxed).

- For a 40% profit, take \$7.24 and divide by .6 = \$12.67 \* ---- round up to \$13.00 = \$1,440.00 Profit
- For a 45% profit, take \$7.24 and divide by .55 = \$13.16 \* -- round up to \$ 14.00 = \$1,690.00 Profit
- For a 50% profit, take \$7.24 and divide by .5 = \$14.48 \* ---- round up to \$ 15.00 = \$1,940.00 Profit

\* Pricing for illustration purposes only.

This is just a guideline, based on past experience. We suggest starting at 50% for maximum profit, however you can be the judge.

**PRO-TIP: Get a sponsor to cover some or all of the cost. That means more money in your pocket! If necessary, we can find an attractive way to include the sponsor's name and/or logo.**

**PRO-TIP: Our glass ball ornament (item# W-200) goes on sale for orders received by 4/30/25. Order early, ship when you request, and save up to 25%. See the attached pricelist for each pricing period cost and guidelines.**

# HERE ARE JUST A FEW OF THE THINGS THAT OUR CLIENTS HAVE TO SAY ABOUT US!

"This is the third year we've ordered ornaments for the Hampshire County CVB. I couldn't be more pleased with the ornaments & the staff is super easy to work with! Highly recommend! Prior to this, our local historical society ordered ornaments for 20 years in a row (and this was probably 30 years ago) and it was the same great quality then. That's why we chose to work with them again and are 100% satisfied!"

*Come To Hampshire*

"Great customer service and quality product. They did an excellent job helping us with our order. I will definitely use their services again."

*Shelly M*

"I was 110% pleased with my first experience ordering from Keystone Specialties. Our order included a special request that was out of the ordinary and they came through with flying colors! The process was handled quickly and accurately. All ornaments arrived in perfect condition. Their ornaments are beautiful! I would highly recommend them."

*Diane A*

"The folks at Keystone have been very helpful in completing our order for our annual Christmas ornaments! I have worked with them for several years and I have consistently been pleased with not only the finished product but also with their prompt and accurate responses!"

*Christine C*

"I have ordered commemorative Christmas ornaments from Keystone Specialties for several years now and am always very happy with the artwork, the product, and the packaging of the order. Great prices and always quick to reply to emails with questions."

*Katherine B*

"Recently started using this company and am very happy with them. A huge help in finding the right products for me. Always great products at a great price. Very friendly & efficient. Will be using Keystone again. Great job guys!!"

*Lola A*

"Have worked with Keystone all for 8 years designing Christmas Ornaments for Our Parish in Northeastern \*\*, They always produce a great product that immediately becomes a part of our Families' Holiday Decor.

Highly recommend.

*Joseph G. B.*

"Keystone is a WONDERFUL company to work with. This was my first time placing an order for a customized ornament for our business. They were very patient and helpful with me. They made a few mock-ups before I could decide. I LOVE the outcome of the ornament, they were fast at getting the items produced and packed well in shipping. I HIGHLY recommend them. They are very personable."

*Jane M.*

"We have ordered ornaments for our <organization> for several years and we are very pleased with the service, the quality, and the attention to detail. The ornaments always arrive on time and in perfect condition."

*Kay M.*

"Working with you folks is a "no brainer" - couldn't be easier and the product is great!"

*Nancy C. ~ Cleveland, TN*

"Phenomenal company ~ incredible staff ~ very impressed with the quality of product, especially for the price! They make everything seamless. I had to call to reorder something from PRE pandemic and they have it all in the file, knew exactly what I needed, when I didn't even know! I can not say enough good things about them!"

*KrystalAnn C.*

"Our church ordered full color 2D Christmas Ornaments for our Centennial Celebration. All of the proofs and pictures they sent to proof and in our promo packet were beautiful! BUT, no color picture compared to the actual ornament when we received it!! We pre sold about 50 ornaments with people looking at the picture and ordering from that over a 3 to 4 week period. Once we received the ornament and people could actually see it, we sold 50 ornaments the first day we had them! Unbelievably beautiful!!!"

*Deb J.*

"My Rotary Club has used Keystone Specialties for the last two years. We've purchased bags and mugs with our logos for our annual golf outing. Their products have been exactly as described and their sales and support teams have been amazing. I highly recommend them."

*Joseph C.*

"I've worked with Steve & Pam at Keystone Specialties, Inc for about 8 years. They are knowledgeable, professional, friendly, helpful and produce great products on time. They have always come through for me. I highly recommend them."

*Anni S.*

"Second time ordering from this company and they are amazing to work with start to finish. Highly recommend based on price, quality and customer service!"

*Sandy J.*
